PROFILE

Enthusiastic, reliable and highly organised with strong transferable skills gained through technical assistant roles, camera assisting work, short film projects and management experience. Detail-oriented, proactive and able to follow directions effectively, I am eager to support production teams.

EMPLOYMENT

Camera Trainee/Assistant with Logic Video (Justin Wood) London Feb 2026 — Current

- Set-up, maintained and de-rigged camera and lighting equipment for corporate and commercial shoots.
- Monitored B-Cam recording across client projects.
- Managed batteries and maintained monitors across set.

Technical Support at Curtin University, Bentley WA March 2025 — May 2025

- Maintained camera equipment including safe storage, battery charging, flagging damages and organisation in kit room.
- Operated a Canon XF605 ENG camera and assisted with lighting set up for simulated live crosses.
- Taught and supported students with IFB use.

Studio Assistant & Videographer at Curtin University, Bentley WA February 2025 — July 2025

- Coordinated, lit and filmed Auslan Interpretation for a Disability Arts Research Project.
- Organised footage, edited and exported over 30 finalised interviews.

Entrepreneurship Immersion (New Columbo Plan Scholarship), Bangalore India

November 2024 — December 2024

- Attended Bangalore Tech Summit 2024.
- Variety of industry visits which built an understanding on India's business landscape and how new technological developments are tackling unique challenges the country is facing.

Editing, Sound and Coordination Internship at Baboon Animation, Brooklyn NYC

December 2023 — February 2024

- Coordinated project meetings and deliverables in accordance with production schedules.
- Built positive relationships with both internal and external clients, talent and colleagues.
- Managed phone and email communication and ensured the office was clean, stocked and tidy.
- Took detailed notes during client meetings and created pitch decks presented to clients.
- Collaborated on storyboarding processes and edited animatics, productively multitasking.

Photographer/Videographer at Westside Kickboxing, O'Connor WA March 2023 — November 2023

- Filmed, photographed and edited footage from live sporting events.

Crew, Supervisor and Duty Manager at HOYTS Cinemas, Booragoon WA March 2021 — November 2023

- Supervised a team of 20 employees, ensuring an adherence to cinema policies and procedures.
- Set up and organised special events, private screenings, bookings and promotions.
- Trained staff, completed monthly performance evaluations, rosters and interviews.
- Operated and maintained cinema equipment, including projectors, audio systems, closed caption and audio description devices.
- Handled tills and safe counting, stocktaking duties and utilised POS systems for transactions.
- Provided high-quality customer service by selling tickets and preparing food and beverages
